Enrollment and tuition for summer camps will be done on a weekly basis in order to provide families with flexibility during the summer. You can choose which program (4 or 5-days) you would like to enroll in for each week session of the summer, as well as which days per week and the hours (camp day or extended day). Camp fees are weekly based on the program you choose. Depending on the weeks/days and presentations/activities offered extra fees may be required. Please take note.

Completed camp registration forms are due by April 30th in order to staff appropriately and to give our teachers their schedules in advance. After this date, available camp space will be filled with enrollment from the public.

**Please note that we will not be able to accommodate changes to student camp schedules after May 4th.

Weekly Camp Rates: 4 days ($262.00), 5 days ($290.00)
*An activity fee for outside vendors and activities will be assessed.
Extended Day (3:30-5:30) weekly rates: 1 day ($40), 2 days ($50), 3 days ($75.00), 4 days (80.00), 5 days ($95.00) ** There is an additional $5.00 activity fee per vendor.

**Weekly camp rates will be combined into monthly payments, due at the first of each month. Late fees will be assessed.

Please indicate the program of your choice for each week by marking an X on the days you would like your child enrolled in summer camp, along with your selection of extended day hours.
