

## Infant/Toddler Teachers

Job Opportunity: Must Love Children

### Infant/Toddler Qualifications:

The ideal person for this position will be 0-3 Montessori certified from an accredited Montessori Training Center. All accredited Teacher Education Programs will be considered. In addition, the candidate must be current on all Colorado state requirements for group leader qualifications. Previous teaching experience is a plus and will give the candidate an edge in position and salary compensation. The applicant must love children and be energetic and positive in his/her outlook.

### Benefits

Adventure Montessori offers competitive wages and benefits; paid vacations, health and dental insurance, a professional development budget, beautiful complete classroom environments and a strong staff community. Your future with the Adventure Montessori family will include many opportunities to grow and develop.

Our school is located Lafayette CO, in the fast growing community of Boulder County. We enjoy a our orchards, organic gardens and all the animals on property. Adventure Montessori began 6 years ago with the dream of providing a beautiful Montessori learning environment where children and their families would be valued and respected; a place where children would love to learn. That dream has come to fruition and our goal continues to focus on the child. We strive for excellence in relationships with our students, parent body and with our staff. We truly believe that children are the future. **COME GROW WITH US!**
