## **Adventure Montessori Enrichment Classes**

**Instructor:** Alicia Carol has a Bachelors of Music and a Minor in Theatre from Wichita State University and attended Circle in the Square acting conservatory in New York City. She is currently at CSU working on her Masters in Music Therapy. She has been teaching Acting, Piano, Voice, Music Theater, Song Writing, and Performing Professionally for over 20 years. She develops and nurtures children's unique artistic expression and gives them many opportunities to create, play and express.

**Private piano lessons** would be for beginners to intermediate players. Alicia creates an open and fun lesson that encourages every student to excel at his or her own pace. Writing of music and/or songs is integrated into each lesson. The Piano Adventure series books will be used. There will be a Winter and Spring Recital as well as local outreach performance opportunities.
