

HappyFeet Soccer

Story Time with a Soccer Ball!!

Welcome to HappyFeet Soccer! This “*soccer fun for your little one*” program provides classes for children as early as 2-years of age. HappyFeet promotes **physical development, self confidence, balance, strength, coordination, sportsmanship** and **cooperation** for its participants. By using songs and nursery rhymes for the very young and fun games for the older children, HappyFeet introduces basic soccer skills and a love for the game, all while the children are having a blast!

Enrollment

Getting your child involved in the HappyFeet program is easy!

FIRST: HappyFeet provides EVERY child the opportunity to experience the program – **for free!** We offer two free classes so children and parents alike can decide if they wish to continue with the program. *There is no risk or obligation associated with these classes.* To take advantage of this offer, please complete one of the yellow “Free Class” forms located at the school and drop it in the red HappyFeet Communication box.

SECOND: After completing the two free classes (or at any time), you can enroll your child in the program by filling out the Registration form attached to the HappyFeet brochure (located at the school) and dropping it in the red HappyFeet Communication box. Alternately, you can register online at www.happyfeetlegendsfoothills.com.

Cost

We are pleased to offer the HappyFeet classes for \$40 for a four-week session (four 30-minutes classes). We accept credit cards or checks (payable to HappyFeet/Legends-Colorado Foothills). Payment is expected at the beginning of each four-week session. Payment dates will be posted at the school and email reminders will be sent to all participating families.

Class Schedule

The classes will be held on Friday’s starting at 2:30pm. If a class is canceled due to a school closing or event we will either schedule a makeup class or pro-rate the next four-week session.

HappyFeet has been a part of developing thousands of preschoolers into confident and healthy young children all across the country. We love what we do and look at soccer as a vehicle to teach life lessons. I very much appreciate your interest in our program and look forward to sharing our story with the students and families at Adventure Montessori. For additional information, please check out our website, send me an email or give me a call.
