

Mountain Kids Gymnastics & Dance Classes at Adventure Montessori

Our creative classes will be offered: 2:30-4:30pm on Monday afternoons (Dance) &
2:30-4:30pm on Wednesday afternoons (Gymnastics)

In both classes children will be led through a progressive sequence of developmental movement patterns and gymnastics skills as a means of increasing coordination, balance, flexibility, fine and gross motor skills, and postural alignment. Both classes will boost children's confidence, enhance their problem solving and social skills, and develop their expressive capacity.

Registration: Students may register at any time and may do so on-line at www.mountain-kids.com. Tuition will be adjusted accordingly based on a student's start date.

Tuition: \$72 for a 6-week pay period. Payment may be made via check or credit card. All checks may be made payable to **Mountain Kids**. Tuition in-full is required at time of registration. Tuition will be prorated accordingly based on student's start date. Dates of our 6-week pay periods are defined on the session calendar which can also be found on our website. Both classes (gymnastics & dance) are continuous from session to session so please contact us if your student would like to discontinue at anytime.

Multiple class and Sibling Discount: We offer a 10% multiple class or sibling discount.

Missed Classes: Credits will **ONLY** be provided if a class is canceled due to a school closing or event. Unfortunately, we are unable to credit classes missed by a student for any reason. To help us stay organized and on a consistent schedule we are unable to offer make-up classes.

Instructors: Angela Stanford has been teaching and coaching gymnastics for the past 15 years. She has been employed with Mountain Kids for 3 years and brings enthusiasm and energy to every class. Her ability to relate to children and keep them motivated and focused is amazing. Each student will shine in their own capabilities and self-esteem and self-confidence will grow in each class.

Leslie Merrill has a MFA in Dance from the University of Colorado. She dances professionally both in Denver and Boulder and is the director of a Boulder production company. She brings a wealth of teaching experience, passion for dance and a love for nurturing children's creative expression.

We look forward to having your student participate in class with us. If you have any specific questions regarding the class or want more information on our other programs please call us at 303-665-8287.
