2020 Elementary Summer Camp Registration

Enrollment and tuition for summer camps will be done on a weekly basis in order to provide families with flexibility during the summer. You can choose which program (4 or 5 consecutive days) you would like to enroll in for each week of the summer, as well as which days per week and the hours (camp day or extended day). Camp fees are **weekly based** on the program you choose.

Completed camp registration forms are due by **March 27th** in order to staff appropriately and to give our teachers their schedules in advance. After this date, available camp space will be filled with enrollment from the public.

****Please note that we will not be able to accommodate changes to student camp schedules after May 15th.**

There is a one-time **registration fee of \$250** that covers the cost of a camp field trip fees.

Weekly Camp Rates: 4 Days (\$280, 5 Days (\$325)

Extended Day Rates: 4 Days (\$80), 5 days (\$90)

****Weekly camp rates will be combined into monthly payments, due at the first of each month. Late fees will be assessed.**

Please indicate on the backside of this page, the program of your choice for each week by marking an **X** on the days you would like your child enrolled in summer camp, along with your selection of camp day or extended day hours for each week.
