Summer Camp at Adventure Montessori Learning is full of non-stop opportunities for creativity, discovery, active play, social interaction and fun! Children ages 3-6 join a homeroom classroom that is thoughtfully prepared with materials and hands-on activities to engage all of their senses while promoting creativity, movement, cooperation and collaboration. In summertime we believe in providing meaningful learning experience for each individual. Hence, we firmly stand by creating a curriculum where children not only learn through Montessori method, but also engaging in authentic experience where they are give vast opportunities to explore and discover independently.

Adventure Montessori Primary Summer Camp 2022

**Primary
Students: Ages 3-6
June 1-July 27th**

AML Primary Summer Camp

The summer months are just around the corner and it is already time to plan for those wonderful days in the sun. We respect our parents' wishes to have flexibility during this time to relax, take vacations, and enjoy outside activities, so AML will offer weekly camp sessions for students. You may pick and choose which sessions work best for your family's needs and schedules.

Our summer session begins right after our academic year so there is no interruption in the program. The summer camp is available to all ages served by Adventure Montessori. Along with our Montessori curriculum, our summers are filled with vendors visiting our school, bike and water days, swimming days, cooking days and art projects. What better time than summer break to find ways to create a natural outdoor learning environment. Maria Montessori emphasized the exploration of nature along with allowing children to move freely between indoor and outdoor classrooms.
